

History of the Pastors Dinner

The Pastor's Dinner was implemented in 2015 at the initial launch of One Word Church. The purpose of the dinner, then and now, is to bring together a diverse gathering of pastors with a broad range of experience and wisdom to share with each other and with pastors who are young in senior leadership positions. The dinner has proven to be an excellent platform for other leaders and their spouses to connect, share and receive wisdom and knowledge from others.

In our first Pastors Dinner, Bishop E. V. Reeves imparted wisdom that is still with us today and that was "Don't let your highs be too high, nor your lows to low". Maintain a balance in all you do and seek God's wisdom. Our keynote speaker Bishop Nobles shared 10 points on "The Joys of Starting a Ministry". Other notable speakers were Dr. Svetlana Papazov, Pastor Dave Lottahall, Dr, Belinda G. Moss & Prophet Michael Dalton.

EMPOWERMENT

The unselfish giving of one's self, resources and relationships to equip others with the ability to succeed in whatever endeavor they have been commissioned to perform

9th Annual Pastors

&

Partners Dinner

17 March 2023

The Hosts

Pastors Johnny and Carolyn Clements

Pastors JC and Carolyn are an anointed couple who are intent upon fulfilling the purpose of God in their lives during their generation.. In February 2015, Pastor JC and Lady Carolyn, following the

guidance of the Holy Spirit launched out into the deep and founded One Word Church. Since its inception, they have impacted communities and churches, both local and nationally.

The Strength of Sisterhood (SOS) ministry was launched in 2016 and has connected women of faith from as close as next door to as far away as Colorado, North Carolina, Texas and California. Manhood Unleashed! (MU) was also launched which addresses legacy, purpose and destiny for men of faith.

In June of 2018, Pastors JC and Carolyn were asked by Bishop E. V. Reeves who is the Presiding Prelate of the Eagles Rock Communion of Christian Leaders to consider merging with another ministry in the area, whose Senior Pastor was retiring from the pastorate. After calling the leadership team together for three days of prayer and fasting, they received an affirmative answer from the Lord to proceed with the merger. In November of 2018, One Word Church officially merged with Victory Family Outreach Ministries and became known as One Word Community Church.

One Word Church operates under the covering of Bishop E. V. Reeves who is the Presiding Prelate of the Eagles Rock Communion of Christian Leaders.

Guest Speaker

Pastor Ron Jones

Servant Leader and Marketplace Ministry are the phrases most commonly associated with the Ministry of Pastor Ron. He is married to his high school sweetheart Rachel (Rae-Rae) and from this union they have five blessed and highly favored children Khalil (crown, wealth), Nia (purpose), Nehemiah (God's comfort), Nathan (God's gift) and Naomi (God's delight). Pastor Ron is also the proud Father-in-Law of Marquel A. Jones and grandfather to Lanii Sky Jones. They are affectionately known as "The Tribe called Jones". Pastor Ron's mantel is to preserve the posterity of the family; and his desire is that when it is all said and done that, he will hear the words "WELL DONE my son, you have served The Kingdom and your family WELL".

A native of Philadelphia, Pennsylvania, and all things Philly. He retired from the U.S. Army after 20 years of faithful service. He holds a Bachelor's degree in Interdisciplinary Studies (BUS/BIBL) from Liberty University and is currently working on his Master's in Divinity.

Pastor Ron and Lady Rae have served in a myriad of ministry positions to include: Usher, Men's Ministry, Women's Ministry, Sunday School and Bible Study Teachers, Mentors, Counselors, Coach, Outreach Ministry, Youth Ministry Leaders, Intercessory Prayer Leader, Associate Pastor etc. They have used the Power of 2 to glorify God for over 20 years. Pastor Ron has also served in many pastoral capacities beginning In November 1999, when he was installed as Senior Pastor of Agape Fellowship, Naples, Italy where he served for five years and has called that assignment "The most challenging but fulfilling and rewarding task of my life". He has served as Lay Pastor for McGuire AFB, NJ as well as serving as Interim Pastor of Mt. Calvary Pentecostal Church in Philadelphia, PA. while simultaneously serving as Associate Pastor at New Life Anointed Ministries (The Life) in Woodbridge, VA under the leadership of Bishop Reeves.

Pastor Ron has been the Executive Pastor of The Life since 2012. It has come full circle as Pastor Ron and Lady Rae have served faithfully under the leadership wing of Bishop Eugene Reeves and Lady O as their spiritual parents for 25 years.

[Expanding Your Borders Through The Prophetic Word](#)

New Image Christian Academy

This year we are in the acquisition stage of acquiring a daycare that will provide a foundational environment where biblical concepts will be taught. Our providers will use biblical truth to create lesson plans that will help children understand God’s word is vital. We believe that incorporating these truths into their daily learning will teach them to approach the world from a biblical perspective.

Acquiring the daycare will also provide a means for One Word Community Church to fulfill its vision of being Kingdom believers and disciples empowered to be catalysts throughout the world for Godly spiritual and economic progress beginning in our own communities.

Our first goal is to impact our communities, neighborhoods by enhancing the quality of life in the community through outreach, community development, educational programs, and partnerships to develop and rehabilitate projects in the State of Virginia.

The second area of impact is through social engagement. We teach leadership through service and empowerment. That involves understanding the core tenet of Empowerment which is “the unselfish giving of one's self, resources and relationships to equip others with the ability to succeed in whatever endeavor they have been commissioned to perform”.

The third of area of impact is through spiritual leadership training. We do this by showing leaders and potential leaders how to facilitate change rather than attempting to manage change.
